

Pre-soak, De-stoning, Washing & Drying

Herbert offers an extensive range of washing, drying and de-stoning systems, designed to prepare produce according to customer needs.

By using energy efficient designs we are able to produce equipment which provides high output along with gentle handling.

HERBERT

WASHING

Pre-Soak Reception Tank
Pre-washing system for vegetables

HERBERT

WASHING

A water reception trough which gives an initial cleaning/soaking action prior to delivery to the rest of the processing line.

Roller Drier
Produce drying system

HERBERT

WASHING

Clearing up of produce with large quantities.

FEATURES

- Simple discs for ease of replacement
- Simple single chain drive mechanism
- Cartridge bars for easier access
- Soft cast system for drive rollers
- Protein washing roller
- Simple method for roller replacement
- Hydraulic lift mechanism for maintenance and cleaning access

OPTIONS

- Auxiliary lubrication systems
- Full explosion steel construction
- 100/200 gauge covered rollers
- Brush rollers for stone removal
- Quick drive in each roller
- Full rollers in place of spacers and cleaning access
- 900,1020 and 1520mm widths available

Hydro-cooler
Cooling system for vegetables

HERBERT

WASHING

For cooling/soaking of produce prior to packing.

FEATURES

- Capacity from 5tph to 20tph
- Mild steel or stainless construction
- Electric variable speed drive
- Full width modular plastic base track
- Three temperature zones
- Tailored to suit individual refrigeration equipment
- Three tanks with open water discharge
- Filter system for heating deaer
- Suitable for most fruit crops including potatoes, carrots and parsnips

T: +44 (0)1945 430666 E: sales@rjherbert.co.uk

Wetting Unit
Produce wetting system

HERBERT

WASHING

Controlled wetting of produce prior to packing.

FEATURES

- Fixed speed drive
- Simple disc rollers
- Simple chain drive system
- Easy accessibility
- Stainless steel construction
- Cartridge stop for reverse water
- Roller bars with handles
- Easy access top/lift pointwork

OPTIONS

- 900,1020 & 1520mm widths
- Electric variable speed drive

T: +44 (0)1945 430666 E: sales@rjherbert.co.uk
www.rjherbert.co.uk

Product Range

- Barrel Washer
- Bit Remover
- Cyclone De-stoner
- Direct Drive Roller Drier
- Freestanding De-stoner
- Flume De-stoner
- Hydro-cooler
- Integral De-stoner
- Pre-Soak Reception Tank
- Pumpkin Washer & Elevator
- Roller Drier
- Sample Washer
- Vege-Polisher (Wyma)
- Wetting Unit
